### 2 Peter 1:3-4

God's divine power has given us everything we need to live a truly religious life through our knowledge of the one who called us to share in his own glory and goodness. In this way he has given us the very great and precious gifts he promised, so that by means of these gifts you may escape from the destructive lust that is in the world, and may come to share the divine nature.

## MAKE SENSE OF IT

if and when we asked Jesus to be our Lord and saviour, he has given us everything we need to life for him. But we still need to exercise it so that it grows. Just as when we are born we then begin to grow. God wants us to grow in knowing him and in showing him to others. god has given us all that we need as long as we follow him and allow Him to work in us. may come to share the divine nature.
