

Investment opportunity!

July 2021

Hello friends and family at Parklands

May I share with you an investment opportunity?

Can I invite you to invest into the lives of a young couple.

Jordan & Ludi Manley have enriched our lives as they have shared a year internship with us here at Parklands Church

So whats next?

Jordan & Ludi really feel the calling of the great commission on their lives, and have a passion for doing life with fellow believers (making disciples) and for sharing their love for the Word (Bible teaching).

They have asked if they can stay on for another year with Parklands . . . and we've said YES!

Matt Crome, pastor @ Parklands writes:

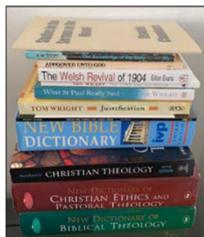

"It's been an absolute pleasure to have Jordan and Ludi serve within the Church this past year. They have been a real source of encouragement and blessing to us all. They have adapted so quickly after having to leave Australia so quickly and it's been great to walk with them in this life transition.

During the year it's been an honour to see them grow in their faith, characters and leadership. The New Testament course has blessed us so much, (see the course on our You Tube channel) and it's been amazing to see them use all they have learned over the past few years.

As they look to journey with us in this next chapter of their life, I want to encourage everyone to pray for them, as serving in Church isn't always easy and the sacrifice they are making needs prayer. While also standing with them in different ways from a little encouragement, a word and or practical ways.

Thanks Jordan and Ludi. You are a special couple and we look forward to journeying with you in this next chapter in Swansea.

Jordan is starting, this autumn, a part-time, 4 year, online Masters in Applied Theology and Leadership with Moorlands College (<https://www.moorlands.ac.uk/>)

Jordan is super excited about the course and feel God calling him to pursue this avenue, wherever that may lead him.

Continuing to intern with Parklands will give him a practical outlet for the theory he will be learning on his course, getting more involved pastorally, and with the leadership development side of things too

Ludi will continue to be a light in the community, working as a barista in Square Peg Coffee Shop, as she loves the challenge of sharing her faith very practically in the world outside of church. Luds will still be involved in Parklands, but is also hoping to get a job as a Teaching Assistant too.

HOW CAN WE HELP . . .

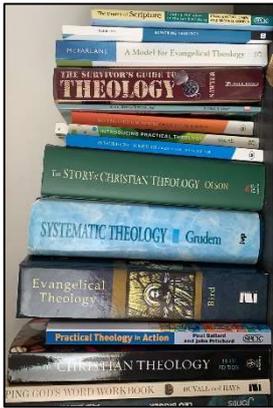

By praying for them; Receiving their regular updates . . . AND . . . Encouraging in a PRACTICAL way
